Benefits of Winning an ESPA Innovation Award

WHY SHOULD YOU ENTER AN ESPA INNOVATION AWARD ?

Value to the Winners

Gaining broad international recognition and significant market visibility.

Distinguishing your Destination, Facility or Company, and your innovation.

The opportunity to attend the annual gala awards ceremony, promote your innovation and meet other innovators and industry leaders.

Exposing your award-winning innovation to the media.

Promoting your innovation in the marketplace by using the ESPA Innovation Award seal.

Awareness and Recognition

The ESPA Innovation Awards takes every opportunity to publicly acknowledge and promote finalists and winners to a wide variety of Spa, Travel and Tourism press and media channels.

ESPA Innovation Awards finalists are freely encouraged to use the designation "ESPA Innovation Award Finalist" in their own publicity and marketing campaigns. Finalists receive an electronic "ESPA Innovation Award Finalist" seal image.

Finalists and award winners are given the opportunity to attend the annual ESPA Innovation Award Gala event.

Finalists are given the opportunity to display information, brochures, etc. at the Annual ESPA Innovation Award Gala reception. These displays are viewed by the ESPA Congress attendees as well as members of the press.

Endorsement and Media Coverage

Award winners receive significant media coverage focused on the details of the awarded innovation. Consistent with the evaluation criteria established and used to determine winners, the media is encouraged to understand and promote the innovation, the value proposition, and the overall impact that the innovation has had.

ESPA Innovation Awards Winners are freely encouraged to use the designation "ESPA Innovation Award Winner" in their own publicity and marketing campaigns. Winners will receive an electronic "ESPA Innovation Award Winner" seal image.
